

# Testing Accommodations

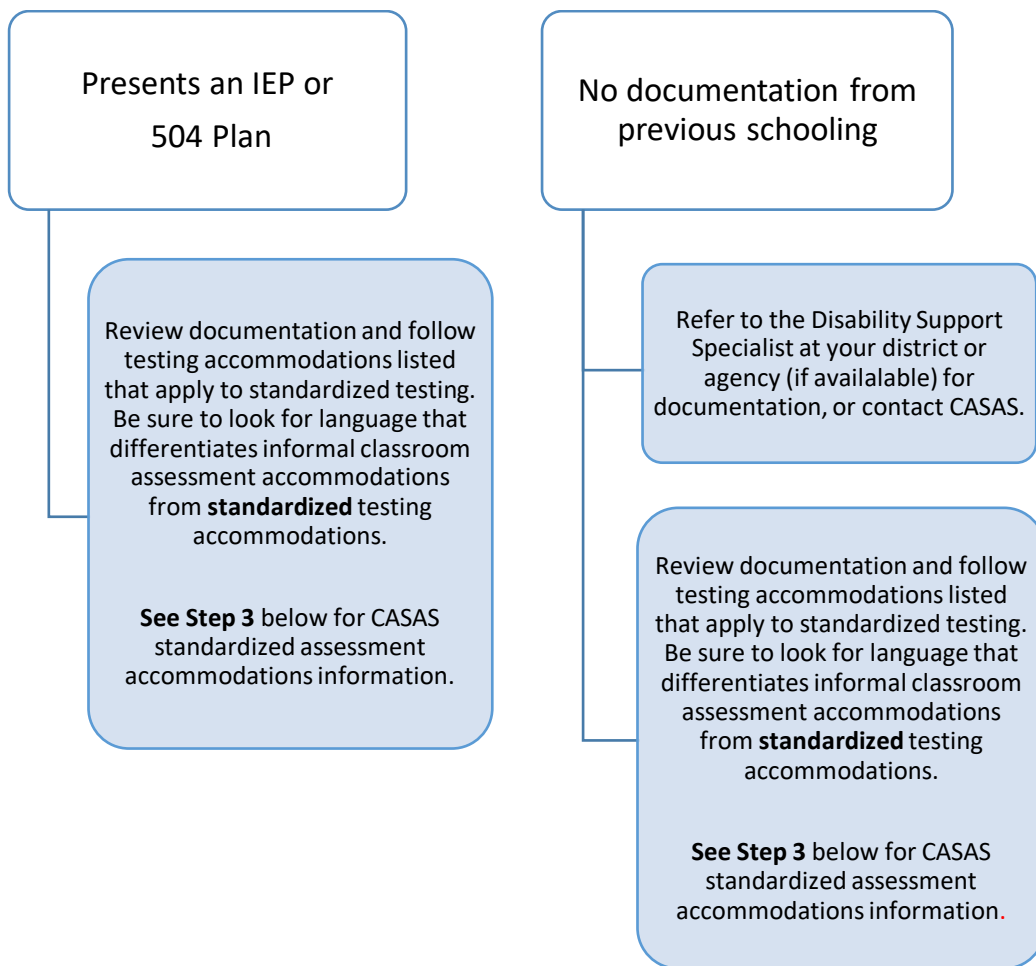

## Step-by-Step

Testing accommodations provide learners who have disabilities with an opportunity to demonstrate their skills and abilities without interference caused by the disability itself.

### If you have a student who may need testing accommodations

**Step 1** - Contact the Disability Support Services office at your agency or district, if available, for more information on local procedures for standardized testing accommodations.

**Step 2** - Acquire documentation that supports the accommodations requested.

**Step 3** - Start here at [www.casas.org](http://www.casas.org)

### General Information on Testing Accommodations

This information explains local agency responsibility, accommodation documentation, and lists examples of some standardized testing accommodations that may be included in a student's documentation. Click here: <https://www.casas.org/training-and-support/testing-guidelines/Assessment-Accommodations>

**Step 4** - You may need to order materials to provide the documented testing accommodation.

Accommodations Materials to supplement CASAS assessments you may already be using at your site	Specialized CASAS assessments for students with certain conditions or impairments
 <p><a href="#">Visual Impairment/Blindness Accommodations Materials and supplements for Reading GOALS, Math GOALS, Life and Work Reading Level B/C</a></p>	<p><a href="#">The POWER (Providing Options for the Workplace, Education, and Rehabilitation)</a> series is targeted toward adults with intellectual disabilities who do not perform well on paper tests.</p>
 <p><a href="#">Large Print Test Booklets and Answer Sheets</a> All CASAS test forms and answer sheets come in the large print edition (18 point).</p>	<p><a href="#">The Adult Life Skills</a> series allows instructors to monitor the learning progress of those with intellectual disabilities and other beginning literacy needs.</p>
	 <p><a href="#">The Braille Reading Assessment</a> tests reading abilities in braille format at CASAS Levels A/B (beginning literacy and beginning basic skills)</p>

To order, see the [CASAS Catalog](#)

**Step 5** – Do you have questions? Email CASAS at [casas@casas.org](mailto:casas@casas.org) for more information or call 1-800-255-1036.
